

REMARKS

This is in response to the final Office Action of 05/13/2005 and the Advisory Action of 08/22/2005. Note is taken that the Examiner has allowed Claim 1. To expedite the prosecution of this application, applicant has canceled the remaining claims in the application without prejudice.

It is deemed that this amendment overcomes all grounds of objection and rejection and places the application in condition for allowance. A notice of allowance is requested.

Respectfully submitted,
